## Independent Auditor's Report

Board of Directors  
Fort Wayne Public Transportation Corporation  
Fort Wayne, Indiana

### Report on the Financial Statements

We have audited the accompanying financial statements of Fort Wayne Public Transportation Corporation (Citilink), a component unit of the Consolidated City of Fort Wayne-Allen County, as of and for the year ended December 31, 2016, and the related notes to financial statements, which collectively comprise the Citilink's basic financial statement as listed in the table of contents.

#### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## ***Opinion***

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Fort Wayne Public Transportation Corporation as of December 31, 2016, and the changes in its financial position and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Other Matters**

### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, pension and other postemployment information as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise Fort Wayne Public Transportation Corporation's basic financial statements. The accompanying supplementary information consisting of the schedule of revenue, expenses and changes in net position, budget and actual, and the schedule of expenditures of federal awards required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The schedule of revenue, expenses, and changes in net position, budget and actual, and the schedule of expenditures of federal awards is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of revenue, expenses, and changes in net position, budget and actual, and the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the basic financial statements as a whole.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 9, 2017, on our consideration of Citilink's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Citilink's internal control over financial reporting and compliance.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Management’s Discussion and Analysis**  
**December 31, 2016**

As financial management of the Fort Wayne Public Transportation Corporation (a component unit of the Consolidated City of Fort Wayne – Allen County) (d/b/a Citilink), we offer readers of these financial statements this narrative overview and analysis of the financial activities of Citilink for the fiscal year ended December 31, 2016. This discussion and analysis is designed to assist the reader in focusing on the significant financial issues and activities and to identify any significant changes in financial position. We encourage readers to consider the information presented here in conjunction with the financial statements as a whole.

***Overview of the Financial Statements***

Citilink’s financial statements consist of three statements – statement of net position; a statement of revenues, expenses and changes in net position; and a statement of cash flows. These statements provide information about the activities of Citilink, including resources held by Citilink but restricted for specific purposes by creditors, contributors, grantors or enabling legislation.

The statement of net position presents information on all of Citilink’s assets, deferred outflows of resources, liabilities and deferred inflows of resources with the difference reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of Citilink is improving or deteriorating.

The statement of revenues, expenses and changes in net position reflects the operating activity and resulting changes in net position of Citilink for the year using the accrual basis of accounting, similar to private sector companies. The change in net position is an indicator of whether the overall fiscal condition of Citilink has improved or worsened during the year.

***Measurement Focus and Basis of Accounting***

Citilink is accounted for as a business-type activity and presents its financial statements using the economic resources measurement focus and the accrual basis of accounting. Under this basis of accounting, revenue is recognized in the period in which it is earned, expenses are recognized in the period in which they are incurred and depreciation of assets is recognized in the statements of revenues, expenses and changes in net position. All assets, deferred outflows of resources, liabilities and deferred inflows of resources associated with the operation of Citilink are included in the statement of net position.

***Financial Highlights***

- Citilink’s net position decreased by \$4,959,412 or 30.70 percent over 2016. Operating revenue decreased by \$37,922 or 2.00 percent over 2016 and operating expenses increased \$663,626 or 3.78 percent over 2016. The primary reason for the decrease in net position was the continued implementation of GASB 68, *Accounting and Financial Reporting for Pensions* as well as current year depreciation that exceeded the amount of capital purchases funded by federal capital grants. The primary reason for the significant increase in operating expenses was due an increase in pension expense in 2016 of \$709,088.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Management’s Discussion and Analysis**  
**December 31, 2016**

- Citilink reported operating losses in 2016 of \$16,378,545 as compared to the 2015 amount of \$15,676,997. This is a 4.48 percent increase which was again, primarily related to the previously mentioned pension expense increase. Citilink receives nonoperating revenue in the form of property taxes and governmental grants to support operations. This is consistent with Citilink’s operating history as it was formed and is operated primarily to provide public transportation to the residents of Fort Wayne and New Haven and is subsidized to that end.

***Changes in Net Position***

In 2016, Citilink’s net position decreased by \$4,959,412 or 30.70 percent, compared to a decrease of \$3,059,552 or 14.70 percent in 2015, as shown in Table 2. The primary reason for the decrease in net position was the continued implementation of GASB 68, *Accounting and Financial Reporting for Pensions* as well as current year depreciation that exceeded the amount of capital purchases funded by federal capital grants.

Net position, end of year	<u>\$ 11,195,617</u>	<u>\$ 16,155,029</u>

**Revenues**

Operating revenues which consists primarily of passenger fares, including bus pass sales, decreased \$37,922 or 2.00 percent over 2016 primarily due to a decrease in passenger fares. Nonoperating revenue consists primarily of property taxes levied by Citilink, Federal and State (PMTF) grants and investment income. The increased \$145,204 or 1.35 percent over 2016 primarily due to an increase in Local government assessments and taxes which more than offset decreased in Federal operating grants.

**Expenses**

Operating expenses increased by \$663,626 or 3.78 percent in 2016 compared to an increase of \$2,427,504 or 16.05 percent in 2015. The major categories of expense for Citilink are salaries and wages, benefits, diesel fuel and depreciation on capital assets. The increase in operating expenses for 2016 compared to 2015 was primarily due to the previously mentioned increase in pension expense in 2016 of \$709,088.

**Operating Losses**

Operating income or loss is generally the difference between net passenger service and other operating revenue and the expenses incurred to perform those services. Citilink has reported an operating loss in each of the past two years. This is consistent with Citilink’s operating history as the PTC was formed and is operated primarily to provide public transportation to the residents of Fort Wayne and New Haven and is subsidized to that end. Citilink levies property taxes and receives federal grants to provide sufficient resources to enable it to serve residents in the metropolitan area.

**Fort Wayne Public Transportation Corporation**  
(A Component Unit of the Consolidated City of Fort Wayne – Allen County)  
**Management’s Discussion and Analysis**  
**December 31, 2016**

**Table 3: Cash Flows**

	<u>2016</u>	<u>2015</u>
Cash flows from operating activities	\$ (10,845,463)	\$ (11,141,021)
Cash flows from noncapital financing activities	10,276,130	10,723,885
Cash flows from capital and related financing activities	(354,449)	(555,136)
Cash flows from investing activities	<u>112,628</u>	<u>156,390</u>
Net decrease in cash and cash equivalents	(811,154)	(815,882)
Cash and cash equivalents, beginning of year	<u>5,038,852</u>	<u>5,854,734</u>
Cash and cash equivalents, end of year	<u>\$ 4,227,698</u>	<u>\$ 5,038,852</u>

***Cash Flows***

Net cash used in operating activities decreased by \$295,558 over the prior year due to a decrease in benefit costs as well as an increase in casualty and liability costs. Net cash provided by noncapital financing activities decreased by \$447,775. This was primarily due to a decrease in the amount of federal and state operating grants and an increase in local assessments and taxes. Net cash used in capital and related financing activities decreased by \$200,687 mainly due to a decrease in the amount of capital expenditures in 2016. Net cash provided by investing activities decreased by \$43,762 primarily related to a decrease in miscellaneous income.

***Capital Assets***

Citilink’s investment in capital assets amounts to \$16,835,112 as of December 31, 2016, a decrease of \$1,326,135 (7.30 percent), consisting of capital asset additions of \$688,719 offset by depreciation expense of \$2,005,379 and disposals of \$9,475. Capital assets include land, buses, shop equipment, administrative equipment and additions in 2016 include:

- The purchase of one fixed route hybrid bus
- The purchase and installation of one new bus shelter
- The purchase of one new service truck for the maintenance department

***Economic Factors***

Other than the uncertainty of general economic indicators on Citilink, its funding sources and its customers, there are no significant facts, decisions or conditions expected that management believes will have a significant impact on the financial position or results of its operations.

***Requests for Information***

This financial report is designed to provide a general overview of Citilink’s finances for all those with an interest in its finances. Questions concerning any of the information provided in this report or request for additional information should be addressed to the Controller, Fort Wayne Public Transportation Corporation, 801 Leesburg Road, Fort Wayne, Indiana 46808.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

**Note 1: Nature of Operations and Summary of Significant Accounting Policies**

***Significant Accounting Policies***

The financial statements of the Fort Wayne Public Transportation Corporation (a component unit of the Consolidated City of Fort Wayne – Allen County) (d/b/a Citilink), have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of Citilink's accounting policies are described below.

***Reporting Organization***

Citilink is a municipal corporation organized pursuant to Indiana Code 36-9-4 and general ordinance G-107-67 adopted by the Common Council of the City of Fort Wayne in September 1967. Citilink operates as a public transit system in a service area, which includes the cities of Fort Wayne, New Haven and certain unincorporated areas of Allen County.

Management of Citilink has determined that it is a component unit of the Consolidated City of Fort Wayne – Allen County in accordance with the Governmental Accounting Standards Board (GASB) Statement No. 61. Citilink has based this determination on the fact that the Consolidated City of Fort Wayne – Allen County is considered to be financially accountable for Citilink and its operations.

The Board of Directors of Citilink consists of seven members, three of whom are appointed by the mayor of the City of Fort Wayne and four of whom are appointed by the City of Fort Wayne – Allen County Council (Council). The Citilink Board designates the management of Citilink, namely the General Manager and the other principal members of the management staff. The Citilink Board adopts the budget and tax levy and approves the issuance of debt. In addition, the Council may review and modify the budget and tax levy, although its approval is not required for the issuance of debt.

***Basis of Accounting***

Citilink's financial statements consist of a single-purpose business type activity which is reported on the accrual basis of accounting using the economic resources measurement focus. Revenue is recognized in the period it is earned and expenses are recognized in the period they are incurred. Citilink is not subject to federal or state income taxes.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

***Use of Estimates***

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, deferred outflows of resources, liabilities, deferred inflows of resources and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other changes in net position during the reporting period. Significant estimates include the assumptions used in computing Citilink’s pension benefit obligation. Actual results could differ from those estimates.

***Cash and Cash Equivalents***

For the purpose of the statement of cash flows, Citilink considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents. At December 31, 2016, cash equivalents consisted of money market accounts with brokers.

***Accounts Receivable***

Accounts receivable are reported at their contract amounts adjusted for any charge-offs and the allowance for doubtful accounts. Accounts are considered past due based on their individual contract terms.

***Inventories (Materials and Supplies)***

Inventories are valued at the lower of cost or market. Cost is determined on the first-in, first-out basis.

***Capital Assets***

Capital assets purchased or acquired with federal, state and local funds with an original cost of \$1,000 or more are reported at cost. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on a straight-line basis over the following estimated lives:

Passenger shelters	5 – 10 years
Service vehicles	2 – 8 years
Buildings and improvements	10 – 36 years
Shop and garage equipment	2 – 10 years
Revenue vehicle movement control facilities	2 – 10 years
Revenue collection facilities and equipment	5 – 15 years
General administrative equipment	2 – 10 years
Passenger revenue vehicles	3 – 12 years

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

***Compensated Absences***

Full-time union personnel and most administrative staff receive compensation for vacations, holiday and sick pay. The number of weeks of compensation for vacation is based upon length of service. Vacation which has been earned, but not paid has been accrued in the accompanying financial statements. Accumulated but unused sick pay benefits are nonvesting; however, employees will receive a percentage (70 percent in 2016) of unused sick pay upon retirement. The maximum accumulated sick pay hours for retirement benefit is 1,600. Unused sick pay benefits are accrued under the termination-payment method, which estimates sick pay liability on past history, adjusted for pay rate changes, administrative policies and other relevant factors, including the probability that employees will become eligible to receive these benefits in the future.

***Defined Benefit Pension Plan***

Citilink has a single-employer defined benefit pension plan, Fort Wayne Public Transportation Corporation Employees' Retirement Plan, (Plan). For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions and pension expense, information about the fiduciary net position of the Plan and additions to/deductions from the Plan's fiduciary net position have been determined on the same basis as they are reported by the Plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

***Net Position Classification***

Net position is required to be classified into three components – net investment in capital assets; restricted and unrestricted. These classifications are defined as follows:

***Net Investment in Capital Assets*** – This component of net position consists of capital assets, net of accumulated depreciation reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction or improvement of those assets. If there are significant unspent related debt proceeds at year-end, the portion of the debt attributable to the unspent proceeds is not included in the calculation of net investment in capital assets.

***Restricted*** – This category presents external restrictions imposed by creditors (such as through debt covenants), contributors or law or regulations of other governments and restrictions imposed by law through constitutional provisions or enabling legislation.

***Unrestricted*** – This component consists of net position that does not meet the definition of “restricted” or “net investment in capital assets.”

When both restricted and unrestricted resources are available for use, it is Citilink's policy to use restricted resources first, then unrestricted resources as they are needed.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

***Revenue and Expenses and Net Position Recognition***

Operating revenue is derived from passenger fares, service contracts, rental of property and sale of advertising space. Operating expenses include the cost of sales and service, administrative expenses and depreciation on capital assets. All revenue and expenses not meeting this definition are reported as nonoperating revenue and expenses.

***Revenue Recognition***

Passenger fares are recorded as revenue at the time the service is provided.

Property taxes receivable are recorded when Citilink has an enforceable legal claim to the resources and the related revenue is recorded as nonoperating in the period for which the taxes are levied.

Citilink recognizes federal and state grant income when eligibility requirements are met. The Federal Transit Administration (FTA) and the state of Indiana provide financial assistance and distribute grants directly to Citilink for operations and acquisition of property and equipment. Operating grants made on the basis of entitlement periods are recorded as grants receivable and revenue over the entitlement periods, based on qualifying expenditures. Capital grants for the acquisition of property and equipment (reimbursement type grants) are recorded as grants receivable when the related grant expenditures are incurred. Costs claimed under federal and state grants are subject to audit and acceptance by the granting agency.

Resources received or recognized as receivable before time requirements are met, are reported as deferred revenue.

***Property Taxes***

The following summarizes the property tax calendar for Citilink:

	<u><b>2016</b></u>
Lien date	March 2015
Levy date	March 2015
Tax bills mailed	April 2016
First installment due	May 2016
	November
Second installment due	2016

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

**Note 2: Deposits**

Custodial credit risk is the risk that in the event of a bank failure, a government’s deposits may not be returned to it. Citilink’s deposit policy for custodial credit risk requires compliance with the provisions of Indiana law.

All of Citilink’s cash accounts are subject to the \$250,000 limit on Federal Deposit Insurance Corporation (FDIC) insurance per covered institution.

Any cash deposits in excess of the FDIC limits described above are insured by the Indiana Public Deposits Insurance Fund. The Indiana Public Deposits Insurance Fund is a multiple financial institution collateral pool as provided under Indiana Code, Section 5-13-12-1.

***Summary of Carrying Values***

The carrying values of cash and deposits are included in the statements of net position as follows:

Carrying value		
Deposits		\$ <u>4,227,698</u>
Cash and cash equivalents		
Current, unrestricted, including amounts designated for local match	\$ 3,183,039	
Noncurrent, unrestricted, including amounts designated for self-insured claims		<u>1,044,659</u>
		\$ <u>4,227,698</u>

Capital projects in process	13,640	—	(6,820)	6,820
Office furniture and equipment	<u>835,221</u>	<u>—</u>	<u>—</u>	<u>835,221</u>
Total capital assets	31,944,750	688,719	(23,976)	32,609,493
Less accumulated depreciation	<u>13,783,503</u>	<u>2,005,379</u>	<u>(14,501)</u>	<u>15,774,381</u>
Net capital assets	<u>\$ 18,161,247</u>	<u>\$ (1,316,660)</u>	<u>\$ (9,475)</u>	<u>\$ 16,835,112</u>

**Capital Leases**

During 2004, Citilink entered into a lease with the Fort Wayne Urban League (FWUL), a local nonprofit organization. FWUL constructed a new facility as part of the Hannah-Creighton project, which also includes new facilities for the Allen County Public Library and the Community Action of Northeast Indiana Headstart. Citilink provided the circular driveway that serves as the public entrance. Citilink paid \$119,500 for a 40-year lease with the option to extend the term for up to two consecutive ten-year periods. Citilink was also obligated to design and construct the circular drive that serves as the public entrance and the center “park/public art” space for a total cost not to exceed \$150,000.

During 2005, Citilink entered into an agreement with FWUL to lease part of the FWUL’s new facility at the Hannah-Creighton project. The purpose of this lease is to provide an indoor passenger waiting area. Citilink paid \$30,000 in February 2005 to the FWUL. This is also a 40-year lease with the option to extend the term for up to two consecutive ten-year periods.

The assets under these capital leases are being depreciated over 40 years on a straight-line basis.

**Fort Wayne Public Transportation Corporation**  
(A Component Unit of the Consolidated City of Fort Wayne – Allen County)  
**Notes to Financial Statements**  
**December 31, 2016**

**Note 4: Other Accrued Expenses**

Other accrued expenses at December 31, 2016, consisted of:

	<b>2016</b>
Salaries and wages	\$ 103,936
Vacation pay	249,000
Payroll taxes	7,951
Accrued sick pay	47,739
Miscellaneous	21,640
	\$ 430,266

	<b>2016</b>				
	<b>Beginning Balance</b>	<b>Additions</b>	<b>Deductions</b>	<b>Ending Balance</b>	<b>Current Portion</b>
Non-current liabilities					
Accrued sick pay and benefits	\$ 315,745	\$ 15,823	\$ (118,307)	\$ 213,261	\$ 47,739

**Note 5: Risk Management**

Citilink is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; business interruption, errors and omissions; employee injuries and illnesses; natural disasters and employee health and accident benefits. Citilink is self-insured for worker's compensation, general liability and vehicle risks up to \$400,000 per individual, \$5,000,000 per occurrence. Property and public transportation liability risks are covered by policies which provide from \$1,000,000 up to \$13,560,680 per occurrence. Employee health insurance claims have an unlimited lifetime maximum coverage. Settlements have not exceeded coverage for the last three years. The accrual of estimated expense is based on Citilink's past history of losses and current outstanding claims. Citilink funds its self-insured program on an "incurred loss" basis. Citilink has designated cash as a reserve for the self-insured obligations. A summary of changes in the accrued insurance liability accounts for the year ended December 31, 2016, is as follows:

	<b>Vehicle</b>	<b>Workers Compensation</b>	<b>Total</b>
Balance, January 1, 2016	\$ 80,000	\$ 80,000	\$ 160,000
Claims and expenses paid, net	(168,127)	(39,601)	(207,728)
Annual provisions for loss	218,127	49,601	267,728
Balance, December 31, 2016	\$ 130,000	\$ 90,000	\$ 220,000

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

**Note 6: Deferred Compensation Plan**

Citilink offers its employees a deferred compensation plan created in accordance with Internal Revenue Service Code Section 457. The plan permits employees to defer a portion of their salary until termination, retirement, death or unforeseeable emergency and avoid paying taxes on the deferred portion until the withdrawal date. Participation in the plan is optional. The plan assets are held in trust for the exclusive benefit of participants and their beneficiaries and therefore are not reflected in Citilink's statement of net position.

**Note 7: Employee Pension Plan**

***Plan Description***

Citilink contributes to the Fort Wayne Public Transportation Corporation Employees' Retirement Plan (Plan), which is a single-employer defined benefit pension plan administered by a third-party. The Plan covers substantially all full-time employees and is administered by a Retirement Committee consisting of four trustees. The Plan does not issue a stand-alone report. The Plan was established by the Board of Directors and the Amalgamated Transit Union and the Plan trustees reserve the right to amend, suspend or terminate the Plan at any time.

***Retirement Benefits***

All full-time employees who complete 90 days of continuous employment and earn 1,000 hours of service in a plan year are eligible to participate in the Plan on January 1 of the year in which the 1,000 hours were earned. Under the provisions of the Plan, pension benefits from employer's contributions are fully vested after five years of service. An employee may retire at age 65 or after attaining age 55, provided the sum of the employee's age and years of continuous service total 85 (the "85 Rule").

The retiree receives annual pension benefits equal to \$225 times the number of years of continuous service prior to May 1, 1970, plus 3.2 percent of earnings after May 1, 1970, and prior to July 1, 2003; plus 3.0 percent of earnings after July 1, 2003, and prior to July 1, 2006; plus 2.7 percent of earnings after July 1, 2006, and prior to June 1, 2009, plus 2.0 percent of earnings after June 1, 2009, subject to a cost of living adjustment.

An employee who has reached at least age 55 and has at least five years of credited service is eligible for early retirement with a reduced pension. An employee retiring early receives a percentage of the normal annual pension benefit. The percentage of the pension benefit at retirement remains the same for the employee's lifetime. The pension benefit is reduced by 0.25 percent for each month that the employee is less than age 65 at the date of retirement.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

The terms of the Plan provide for annual cost-of-living adjustments (COLA) to each employee's retirement allowance subsequent to the employee's retirement date. The annual adjustments are based on the Consumer Price Index for urban and clerical workers published by the Bureau of Labor Statistics, United States Department of Labor, and are limited to a maximum increase of 5 percent per year:

	<b>2016</b>
Inactive employees or beneficiaries currently receiving benefits	78
Inactive employees entitled to, but not yet receiving benefits	28
Active employees	106
	212

***Disability and Survivor Benefits***

The Plan also provides disability and survivor benefits. An employee who has at least ten years of continuous service and becomes totally and permanently disabled from service with the employer is eligible for a disability pension benefit. The disability benefit is calculated the same as that for a normal retirement without reduction for early retirement. Any disability benefit is reduced by the sum of (1) any amounts paid under and pursuant to the Workmen's Compensation or Occupational Disease laws of the State of Indiana; (2) any amounts paid under and pursuant to any sickness, accident or disability benefit policy or policies where such insurance benefits are provided under a plan of group insurance made available to employees by the employer; and (3) any amounts paid as sick leave compensation. If an employee who is receiving or is eligible to receive a disability pension benefit dies before attaining age 65, a monthly survivor benefit equal to 50 percent of the disability pension benefit may be paid to a surviving spouse to whom the employee had been married for at least one year.

Upon the death in service of an employee with five or more years of credited service as of January 1, 1970, a survivor benefit may be paid to the surviving spouse to whom the employee had been married for one or more years. This payment is equal to 50 percent of the benefit which would have been payable to a beneficiary if the employee had lived to the benefit commencement date.

***Contributions Required and Contributions Made***

The contribution requirements for Citilink and its employees are set forth in the collective bargaining agreement. The established rates are based on an actuarially determined rate recommended by an independent actuary. The actuarially determined rate is the estimated amount necessary to finance the costs of benefits earned by employees during the year, with an additional amount to finance any unfunded accrued liability. Under the provisions of Citilink's agreement with bargaining unit employees and personnel policies, all employees must contribute .65 percent of their gross covered earnings to the Plan. Citilink contributes 10.6 percent of employee's gross covered earnings to the pension plan. For the year ended December 31, 2016, employees contributed \$29,141 and Citilink contributed \$475,644 to the Plan.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

***Net Pension Liability and Actuarial Assumptions***

The net pension liability as of December 31, 2016, was measured as of December 31, 2015, rolled forward to the measurement date, and the total pension liability used to calculate the net pension liability was determined by an actuarial valuation as of that date.

The total pension liability in the December 31, 2015, rolled forward to the measurement date, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

- An investment return of 7.50 percent per year, net after expenses
- Inflation of 2.50 percent per year
- The entry age normal actuarial cost method was used
- Wage increases of 4.0 percent per year
- Cost of living adjustment of 2.5 percent per year
- Withdrawal rates: Varied from .018 at age 25 to .000 at age 60 and over
- Disability rate: Varied from .0014 at age 25 to .0278 at age 60 and over
- Retirement rates: Varied from .0075 at age 55 to .075 at age 64 for reduced/subsidized early retirement and from .2625 at age 55 to 1.00 at age 65 for fully subsidized retirement
- Marital status was assumed to be 80 percent of participants and that the age of the spouse was three years younger than that of the participant
- The net position available for benefits was determined by smoothing unexpected gains and losses over a four-year period

Rates of mortality before retirement and after normal, early and disability retirement were based on the RP 2015 Mortality Table for males and females, as appropriate with adjustments for mortality improvements based on MP-2015. For disabled members, the RP2000 Mortality Table for male and female disabled retirees was used.

The actuarial assumptions used in the December 31, 2015, rolled forward to the measurement date, valuation were based on reasonable expectations for the Plan participants and the benefits provided under the Plan.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

The long-term expected rate of return on pension plan investments was based primarily on historical returns on plan assets, adjusted for changes in target portfolio allocations and recent changes in long-term interest rates based on publicly available information. The target allocation and best estimates of arithmetic rates of return for each major asset class are summarized in the following table:

<b>Asset Class</b>	<b>Target Allocation</b>	<b>Long-Term Expected Real Rate of Return</b>
Mutual funds - Equity	90%	7.5%
AFL – CIO Building Investment Trust	10%	7.5%
	100%	

***Discount Rate***

The discount rate used to measure the total pension liability was 4.79 percent for the year ended December 31, 2016, which is a decrease from 5.02 percent used for the year ended December 31, 2015. The discount rate of 4.79 percent reflects the long-term expected rate of return of 7.50 percent and a municipal bond rate of 3.20 percent which was obtained from:

<http://us.spindices.com/indices/fixed-income/sp-municipal-bond-20-year-high-grade-rate-index>

The projection of cash flows used to determine the discount rate assumed that employee contributions will be made at the current contribution rate and that employer contributions will be made at the contractually required rates, actuarially determined. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current active and inactive employees through December 31, 2038.

***Sensitivity of Citilink’s Net Pension Liability to Changes in the Discount Rate***

Citilink’s net pension liability has been calculated using a discount rate of 4.79 percent. The following presents Citilink’s net pension liability calculated using a discount rate 1 percent higher and 1 percent lower than the current rate:

	<b>1% Decrease (3.79%)</b>	<b>Current Discount Rate (4.79%)</b>	<b>1% Increase (5.79%)</b>
Citilink’s net pension liability	\$ 19,976,261	\$ 14,821,655	\$ 10,605,964

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

Changes in the total pension liability, plan fiduciary net position and the net pension liability are:

	<b>2016</b>		
	<b>Total Pension Liability (a)</b>	<b>Fiduciary Net Position (b)</b>	<b>Net Pension Liability (a)-(b)</b>
Balance, beginning of year	\$ 35,813,548	\$ 22,789,325	\$ 13,024,223
Changes for the year:			
Service cost	909,616	—	909,616
Interest	1,807,407	—	1,807,407
Differences between expected and actual experience	(434,710)	—	(434,710)

Benefit payments, including refunds of employee contributions	(1,327,475)	(1,327,475)	—
Administrative expense	—	(21,828)	21,828
Changes in assumptions	308,182	—	308,182
Other changes	—	(31,167)	31,167
Net changes	<u>1,263,020</u>	<u>(534,412)</u>	<u>1,797,432</u>
Balance, end of year	<u>\$ 37,076,568</u>	<u>\$ 22,254,913</u>	<u>\$ 14,821,655</u>

***Pension Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions***

For the year ended December 31, 2016, Citilink recognized pension expense of \$3,800,304. At December 31, 2016, Citilink reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	<b>2016</b>	
	<b>Deferred Outflows of Resources</b>	<b>Deferred Inflows of Resources</b>
Differences between expected and actual experience	\$ 370,906	\$ 324,974
Changes of assumptions	6,466,312	—
Net difference between projected and actual earning on pension plan investments	923,091	—
Citilink's contributions made subsequent to the measurement date of the net pension liability	<u>475,644</u>	<u>—</u>
Total	<u>\$ 8,235,953</u>	<u>\$ 324,974</u>

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

At December 31, 2016, Citilink reported \$475,644 as deferred outflows of resources related to pensions resulting from Citilink contributions subsequent to the measurement date that will be recognized as a reduction of the net pension liability in the year ending December 31, 2016. Other amounts reported as deferred outflows of resources and deferred inflows of resources at December 31, 2016, related to pensions will be recognized in pension expense as follows:

2017		\$ 2,764,633
2018		2,764,633
2019		<u>1,906,069</u>
		<u>\$ 7,435,335</u>

***Pension Plan Fiduciary Net Position***

As of December 31, 2015, the Plan’s fiduciary net position was comprised of the following:

		<u>2015</u>
Cash and cash equivalents	\$	280,850
Investments, at fair value		
Mutual funds		19,203,130
Common/collective trust funds		<u>2,770,933</u>
Total investments at fair value	\$	<u>21,974,063</u>
Total plan fiduciary net pension	\$	<u>22,254,913</u>

*Investment Policy* – Investment policy decisions are established and maintained by the Trustees of the Fort Wayne Public Transportation Corporation Employees’ Retirement Plan.

The primary goal of a pension fund is to help pay the cost of the pension plan while providing adequate security to meet the benefits promised under the plan. As a consequence, two important dimensions of a pension plan’s investment program are expected return and expected risk.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

The plan trustees diversify plan investments among asset classes, recognizing that there is a relationship between the level of risk assumed in an investment program and the level of return that should be expected. Appropriate diversification better enables to balance risk and return. The fund's diversification guidelines are set forth below:

Asset Class/Style	Target Asset Mix
Large Cap U.S. Equities	30.0%
Mid Cap U.S. Equities	7.5%
Small Cap U.S. Equities	7.5%
International Equities	5.0%
<b>Total Equities</b>	50.0%
Core Fixed Income	30.0%
Bank Loans	10.0%
<b>Total Fixed Income</b>	40.0%
Real Estate	10.0%
<b>Total Real Estate</b>	10.0%

The Trustees maintain a portfolio structure that may combine active and passive management in order to balance the objectives of enhanced return and cost control.

Passive equity and fixed income portfolios invest in a substantially similar manner as that of the underlying benchmark.

The Retirement Plan primarily invests through mutual or commingled funds. These funds are governed by the guidelines and restrictions contained in their prospectuses or participation agreements.

It is expected that any actively managed portfolio's return net of fees should exceed the return of the respective benchmark index over reasonable measurement periods (three to five years). It is expected that any passively managed portfolio's return net of fees should approximate the return of the respective benchmark index over reasonable measurement periods (three to five years).

The following table reflects the Plan's investments in single issuers that represent more than 5 percent of total investments:

	2016
AFL – CIO Building Investment Trust	12.5%
Vanguard Institutional Index Fund	30.8%
Vanguard Mid Cap Index Fund	7.4%
Vanguard Small Cap Value Index Fund	7.2%
Ridgeworth Seix Floating High Rate Income Fund	9.3%
Vanguard Total Bond Market Index Fund	26.7%

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

Following is a description of the valuation methodologies and inputs used for pension plan assets measured at fair value on a recurring basis, as well as the general classification of pension plan assets pursuant to the valuation hierarchy.

The fair value of the pension plan assets at December 31, 2015, was as follows:

	Carrying Amount	Fair Value Measurements Using		
		Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
<b>December 31, 2015</b>				
<b>Investments by fair value level</b>				
Mutual funds	\$ 19,203,130	\$ 19,203,130	\$ —	\$ —
Total investments by fair value level	<u>19,203,130</u>	<u>\$ 19,203,130</u>	<u>\$ —</u>	<u>\$ —</u>
<b>Investments measured at the net asset value (NAV)</b>				
<b>(A)</b>				
Common/collective trust fund	<u>2,770,933</u>			
Total investments measured at fair value	<u>\$ 21,974,063</u>			

(A) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts included above are intended to permit reconciliation of the fair value hierarchy to the amounts disclosed for total plan investments at fair value.

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including, but not limited to, yield curves, interest rates, volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. The Plan did not hold any Level 3 securities at December 31, 2015.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

The valuation method for investments measured at the net asset value (NAV) per share (or its equivalent) are presented as above. There were no unfunded commitments or redemption restrictions for these funds.

**Note 8: Other Postemployment Benefit Plan**

***Plan Description***

The Plan is a single-employer defined benefit plan providing medical, dental and life insurance benefits to retirees. Employees who retire prior to age 65 and also meet the 85 Rule are eligible to be covered under the same health insurance plan that is available for active employees until attainment of age 65. The spouse and family of the retiree are eligible for the same health insurance coverage provided the retiree if the spouse has no other health insurance coverage from the spouse's employer. The Plan is administered by Citilink and does not issue a stand-alone report.

***Life Insurance*** – Citilink provides a life insurance benefit of \$10,000 to all retirees as defined by the union agreement.

***Health Insurance*** – Under Citilink's union agreement, full-time employees qualifying for full retirement benefits (age plus service equaling 85) who retire have the option of continuing their group insurance coverage until age 65, at the rate of \$1.00 to \$100 per year. Full-time employees qualifying for retirement who retire on or after January 1, 2010, have the option of continuing their group insurance coverage until age 65, at the rate of \$350 per year. Effective January 1, 2014 and 2013, the rate increased to \$957 and \$600 per year and Citilink pays the remaining balance of the health care coverage.

***Medicare Supplemental Benefits*** – Under Citilink's union agreement, retirees and spouses eligible for Medicare are provided an annual Medicare Supplemental Benefit payment.

***Funding Policy***

The contribution requirements of plan members are established by Citilink's management. The Plan is currently funded on a pay-as-you-go basis. Citilink funds on a cash basis as benefits are paid. For the year ended 2016, Citilink contributed \$357,834 to the postemployment retirement plan. No assets have been segregated and restricted to provide postretirement benefits within the definition of plan assets under GASB Statement No. 45, *Accounting and Financial Reporting by Employers for Postemployment Benefits Other than Pensions*.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

***Annual OPEB Cost and Net OPEB Obligation***

Citilink’s annual other postemployment benefit (OPEB) cost (expense) is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed 30 years. The following table shows the components of the Citilink’s annual OPEB cost for the year, the amount actually contributed to the Plan and changes in the Citilink’s net OPEB obligation to the Plan:

	<b>2016</b>
Annual required contribution (ARC)	\$ 592,576
Interest on net OPEB obligation	103,904
Adjustment to annual required contribution	(144,102)
Annual OPEB cost	552,378
Contributions made	357,834
Increase in net OPEB obligation	194,544
Net OPEB obligation, beginning of year	3,552,423
 Net OPEB obligation, end of year	 \$ 3,746,967

Citilink’s annual OPEB cost, the percentage of annual OPEB cost contributed to the Plan and the net OPEB obligation for 2016, 2015 and 2014 are as follows:

	<b>2016</b>	<b>2015</b>	<b>2014</b>
Annual OPEB cost	\$ 552,378	\$ 577,550	\$ 547,772
Net employer contributions	357,834	329,292	303,058
Percentage contributed	64.78%	57.02%	55.33%
 End of year net OPEB obligation	 \$ 3,746,967	 \$ 3,552,423	 \$ 3,304,165

***Funded Status and Funding Progress***

As of December 31, 2016, the most recent valuation date, the Actuarial Accrued Liability (AAL) was \$6,237,536. Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality and the health care cost trend. Amounts determined regarding the funded status of the plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future. The schedule of funding progress, presented as required supplementary information following the notes to the financial statements, presents multiyear trend information about whether the actuarial value of plan assets is increasing or decreasing over time relative to the actuarial accrued liabilities for benefits.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

***Actuarial Methods and Assumptions***

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and the plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The actuarial methods and assumptions used include techniques designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations and are subject to continual revision.

Benefit obligations shown in this report are computed using the projected unit credit method. Benefits are attributed to service based on the plan's benefit eligibility provisions. The beginning of the attribution period is the date of hire and the end is the full eligibility date. The unfunded actuarial accrual liability is amortized over a 30-year closed period level dollar amounts. Cumulative gains and losses are amortized over the same 30-year period as other UAAL. Other assumptions are as follows:

- Discount rate assumption of 4.5 percent
- Salary scale assumption of 4 percent
- Annual medical costs are assumed to increase 9 percent in 2016. Future annual increases are assumed to grade uniformly to a 5 percent level trend rate over an eight year period. Dental claims and administrative expenses are assumed to increase at 5 percent per year
- Actual spouse coverage was used in the valuation. Currently, about 50 percent of actives cover a spouse and spouses of current retirees receive the same benefits as actives until reaching Medicare eligibility age, regardless of whether the retiree has reached Medicare age
- 75 percent of future eligible retirees and dependents are assumed to elect medical coverage upon retirement
- The valuation results provided reflect a best estimate of the potential impact of the Patient Protection and Affordable Care Act (PPACA). Consideration has been made for provisions of the law that are effective as of the valuation date as well as those provisions that will take effect in the future. In particular, the anticipated future excise tax has been valued and added to the liability reflected in the valuation report. The estimated present value of all future excise tax payments is \$0
- Mortality rates: For active employees and retired members, the UP-1994 Mortality Table for Males and Females. For disabled members, the RP-2000 Mortality Table for Male and Female Disabled Retirees
- Withdrawal rates: Varied from .021925 at age 20 to .000 at age 60 and over
- Disability rates: Varied from .0012 at age 20 to .0278 at age 60 and over
- Retirement rates: Varied form .010 at age 55 to .100 at age 64 for reduced/subsidized early retirement and from .35 at age 55 to 1.00 at age 65 for fully subsidized retirement

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Notes to Financial Statements**  
**December 31, 2016**

**Note 9: Union Contract**

Citilink has a Collective Bargaining Agreement with the Amalgamated Transit Union, Local 682, which covers all full-time and part-time employees of the operating and shop departments as defined in the Agreement. The Agreement establishes rates of pay, wages, hours of employment and other conditions of employment. The newest contract was approved in January 2016 and covers the period from January 1, 2016 through December 31, 2018.

**Note 10: Commitments and Contingencies**

***Federal Funds***

Citilink participates in various federally assisted grant programs that are subject to review and audit by the grantor agencies. Entitlement to these resources is generally conditional upon compliance with the terms and conditions of grant agreements and applicable federal regulations, including the expenditure of resources for allowable purposes. At December 31, 2016, in the opinion of management of Citilink, any disallowances resulting from a federal audit would not be material.

***Litigation***

Citilink is a defendant in a number of lawsuits in its normal course of operations. Management is of the opinion that ultimate settlement of such lawsuits will not have a materially adverse effect on the financial statements.

**Notes to Schedule**

Change of assumptions: the discount rate was changed from 5.02 percent to 4.79 percent effective January 1, 2016.

This schedule is prepared using the measurement date of December 31, 2015.

This schedule is presented to illustrate the requirement to show information for ten years. However, until a full ten year trend is compiled, governments should present information for those years for which information is available.

**Fort Wayne Public Transportation Corporation**  
**(A Component Unit of the Consolidated City of Fort Wayne – Allen County)**  
**Schedule of Citilink Contributions**

	<b>2016</b>	<b>2015</b>
Actuarially determined contribution	\$ 807,741	\$ 807,741
Contributions in relation to the actuarially determined contribution	<u>475,644</u>	<u>517,568</u>
Contribution deficiency	<u>\$ 332,097</u>	<u>\$ 290,173</u>
Covered-employee payroll	\$ 4,321,333	\$ 4,141,883
Contributions as a percentage of covered-employee payroll	11.00%	12.50%

**Notes to Schedule**

Valuation date: actuarially determined contribution rates are calculated as of January 1, one year prior to the end of the fiscal year in which contributions are reported.

Methods and assumptions used to determine contribution rates:

- Valuation method: Entry age normal
- Asset valuation method: Market value as reported by Wells Fargo Bank
- Inflation: 2.50 percent per annum
- Salary increases: 4.00 percent per annum (1.00 percent merit plus 3.00 percent general increase)
- Cost of living adjustment: 2.50 percent per annum
- Investment rate of return: 4.79 percent per annum
- Retirement age: 65, with five years of continuous employment
- Mortality: RP 2015 Mortality Table for males and females, as appropriate with adjustments for mortality improvements based on MP-2015, for disabled members – RP2000

This schedule is prepared using Citilink’s most recent fiscal year-end.

This schedule is presented to illustrate the requirement to show information for ten years. However, until a full ten-year trend is compiled, governments should present information for those years for which information is available.

**Notes to Schedule**

1. The accompanying schedule of expenditures of federal awards (Schedule) includes the federal award activity of the Fort Wayne Public Transportation Corporation (Citilink) under programs of the federal government for the year ended December 31, 2016. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Citilink, it is not intended to and does not present the financial position, changes in net position, or cash flows of Citilink.
2. Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Citilink has elected not to use the 10 percent de minimis indirect cost rate allowed under the Uniform Guidance.
3. The Fort Wayne Public Transportation Corporation had no federal loans it was administering as of December 31, 2016.

## **Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards***

Board of Directors  
Fort Wayne Public Transportation Corporation  
Fort Wayne, Indiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of Fort Wayne Public Transportation Corporation (Citilink), a component unit of the Consolidated City of Fort Wayne – Allen County, which comprise the statement of net position as of December 31, 2016, and the related statements of revenues, expenses and changes in net position and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 9, 2017.

### ***Internal Control Over Financial Reporting***

Management of Citilink is responsible for establishing and maintaining effective internal control over financial reporting (internal control). In planning and performing our audit of the financial statements, we considered Citilink's internal control to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Citilink's internal control. Accordingly, we do not express an opinion on the effectiveness of Citilink's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of Citilink's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

### ***Compliance and Other Matters***

As part of obtaining reasonable assurance about whether Citilink's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### ***Purpose of This Report***

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Citilink's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**BKD, LLP**

Fort Wayne, Indiana  
June 9, 2017

## Report on Compliance for Each Major Federal Program and Report on Internal Control Over Compliance

### Independent Auditor's Report

Board of Directors  
Fort Wayne Public Transportation Corporation  
Fort Wayne, Indiana

#### Report on Compliance for Each Major Federal Program

We have audited the compliance of Fort Wayne Public Transportation Corporation (Citilink) with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on its major federal program for the year ended December 31, 2016. Citilink's major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

#### *Management's Responsibility*

Management is responsible for compliance with federal statutes, regulations, contracts and the terms and conditions of its federal awards applicable to its federal programs.

#### *Auditor's Responsibility*

Our responsibility is to express an opinion on compliance for Citilink's major federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Citilink's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major federal program. However, our audit does not provide a legal determination of Citilink's compliance.

### ***Opinion on Each Major Federal Program***

In our opinion, Citilink complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended December 31, 2016.

### **Report on Internal Control Over Compliance**

Management of Fort Wayne Public Transportation Corporation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Citilink's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Citilink's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
