

# Community Transit Survey

Your Input is  
Helpful!

Citilink is preparing a plan of needs and services covering 2018 to 2028 and **critical for the plan is gathering input from the community**. A survey of transit riders was conducted earlier in the spring and at this time Citilink would like to hear from others in the community.

To gather input, an on-line survey has been prepared and Citilink is asking for your help in completing the survey and distributing this invitation to people in your circle of friends to also participate.

The survey will take less than 5 minutes and can be accessed through the link below or by scanning the code to the right.

We really appreciate your input and make sure to stay connected with Citilink throughout the transit plan preparation!
